Date: 12/04/2022

### Circular

As directed in the 45<sup>th</sup> Senate of NIT Raipur dated 25.01.2022, following procedure will be adopted for preparation of the rank list for UG (B. Tech. and B. Arch.) and PG (MCA and M. Tech.) courses:

1. Rank list will be based on Cumulative Performance Index (CPI) (inclusive of backlogs, if any), and shall be called '*Rank list based on CPI irrespective of backlogs*'.
2. CPI is the only sole criterion for award of ranking, as it is the cumulative performance of the student. The performance/grades of students in their opted audit courses never contribute towards calculation of CPI.

The criteria for preparation of merit list are different wherein first division is mandatory and having backlog is a disqualification. Therefore, '*Rank list based on CPI irrespective of backlogs*' should never be construed as Merit list.

1. The rank will be issued to a student on demand only for the purpose of employment, higher studies, etc.
2. The rank of a student shall be determined with the passing out batch (concurrent batch) with whom the student demanding rank has passed the examination.

This has the approval of competent authority.
