RULES FOR CHANGE OF BRANCH AFTER SECOND SEMESTER

1. Student admitted to a particular branch of the B. Tech. course will normally continue studying in that branch till completion. However, in special cases the Institute may permit a student, admitted through JEE Main to change from one branch to another after the first two semesters. Such changes will be permitted, strictly in accordance with provisions laid down hereafter.
2. Only those students will be eligible for consideration for change of branch after the second semester, who have-
 - a. Completed all the credits prescribed in the first two semesters.
 - b. Obtained a CGPA/CPI of not less than **7.5** at the end of second semester in one single attempt only.
3. Repeaters are not eligible to take part in this process.
4. Depending on the vacancies Dean, Academic Affairs may issue a notification inviting application for change of branch from the intending eligible students.
5. Change of branch shall be made strictly on the basis of inter se merit of the applicants. For this purpose CPI obtained in second semester by the applicant shall be considered. Ties will be resolved by the AI rank of the applicants in JEE Main.
6. As prescribed in the scheme of studies of 1st & 2nd Semester, if a student belonging (say) 'X' branch slides (say) to 'Y' branch, then he/she will have to register in all those branch-specific Basic Engineering subjects which were offered to his counter parts in 'Y' branch in their first year. This is necessary for a student whose branch has been changed to complete the requirement for branch 'Y'. In doing so, a slided student can register for at the most two subjects (as per the requirement) offered in first year of branch 'Y' in the 3rd semester of his changed (slided) branch. In case, the student has to register for three additional subjects, he/she shall register for two subjects in third semester and shall register for the third subject in fourth semester compulsorily. For such cases, the maximum credit limit per semester for 3rd and 4th will be 34 credits. For such subjects, the student has to secure E or higher grade, and the same won't be considered for calculation of CPI, SPI or determining eligibility for B.Tech (Hons.) and B.Tech with distinction.
7. The applicants may be allowed a change of branch, strictly in the order of merit, subject to the condition that the student strength in a particular branch from which transfer is made, does not fall below 60% of the sanctioned strength.
8. **If a student is denied change of branch due to above reason, no other student with lesser CPI should be permitted for change of Branch.**
9. All changes of branch made in accordance with the above rules will be effective from the third semester of the applicants concerned. No change of branch shall be permitted thereafter.
10. All changes of branch will be final and binding on the applicants. No student will be permitted under any circumstances to refuse the change of branch offered.
