REPORT OF INDUSTRIAL VISIT

S. No	Activity	Date
1	Visit to CIPET Raipur (Vth Sem M2)	03/08/24
2	Visit to CIPET Raipur (Vth Sem M1)	10/08/24
3	Jayaswal Neco Industries Ltd Raipur (III, M2)	27/09/24

Date 03/08/2024 and 10/08/24

Place: CIPET Raipur

Students: Vth Sem

The Department of Mechanical Engineering organized an industrial visit to the Central Institute of Plastics Engineering & Technology (CIPET) to provide students with practical exposure and insights into the functioning of the plastics engineering and technology industry. This visit aimed to bridge the gap between theoretical knowledge and practical application.

The industrial visit to CIPET was highly educational and provided valuable insights into the field of plastics engineering. It enriched the students' understanding of the industry and motivated them to explore various career opportunities in this domain. The visit was successful in achieving its objectives and was well-received by all participants.

Date: 27/09/24

Place: Jayaswal Neco Industries Ltd Raipur

Students: III sem

Students of Mechanical Engineering students from NIT Raipur visited Jayaswal Neco Industries Ltd in Raipur to obtain hands-on experience with industrial operations and production processes. The visit allowed students to observe many stages of manufacturing, metal casting, and the usage of innovative machinery in the industry. Students were able to interact with technical professionals, comprehend the application of engineering principles in real-world circumstances, and learn how automation and quality control are integrated into large-scale manufacturing. The event improved their grasp of industrial practices and provided important insight into the operations of a leading manufacturing organization.
